The Outsourcing History of India. The idea of outsourcing is not new. It started way back in the 1700s when manufacturers started shifting the manufacture of goods to countries with cheaper labor during the Industrial Revolution, following the precepts of Adam Smith in his book 'The Wealth of Nations'. The history of outsourcing to India is an interesting story. Even after over a decade of ...

2.2 Rise of Recent "Outsourcing" and India The 20th Century has provided an even greater leap in technological and communications innovation. History has been proven that old trends reemerge when there are great changes to a society; it was only natural that some old business tactics would become important in the modern world. After World War II, certain developments made business more ...

Outsourcing: Past, Present and Future

Legal considerations when outsourcing to India 30 JULY 2012 Over the last 20 years India has created a place for itself as a global technology services hub and is now one of the preferred outsourcing locations. Initially, the draw was a source of cheap but educated labour; however, India has now grown to prove itself as a true hi-tech knowledge hub. A major part of this success story for the ...
