Most of the plays have an historical element "the Roman plays, for example, are historical but scholars don't refer to those Roman plays (Julius Caesar, Antony and Cleopatra, Coriolanus etc.) as history plays.

Shakespeare's History Plays: Historic Plays By Shakespeare

A play in this genre is known as a history play and is based on a historical narrative, often set in the medieval or early modern past. History emerged as a distinct genre from tragedy in Renaissance England. The best known examples of the genre are the history plays written by William Shakespeare, whose plays still serve to define the genre.
