1 1 Introduction This note is about the impact of the English land use planning system on economic performance. It was written to help inform the deliberations of the LSE growth commission.

Links Between Planning and Economic Performance: Evidence

The National Planning Policy Framework and relevant planning practice guidance.

Planning practice guidance - GOV.UK

Economic planning, the process by which key economic decisions are made or influenced by central governments. It contrasts with the laissez-faire approach that, in its purest form, eschews any attempt to guide the economy, relying instead on market forces to determine the speed, direction, and nature of economic evolution.
