Political instability and the intervention of the military is unlikely, particularly given Kufuor's ability to turn the Ghanaian economy around since he came to power. Despite his outbursts ...

**Political History of Ghana**

The political history of the world is the history of the various political entities created by the human race throughout their existence and the way these states define their borders. Throughout history, political entities have expanded from basic systems of self-governance and monarchy to the complex democratic and totalitarian systems that exist today.
